DIRECTION FOR USE (use only as directed)

Compatibility: Not to be used with caustic chemicals.

If a desired combination was not previously used, check compatibility prior to application.

Use Oryx to sanitize from bacteria according to the Application Table below.

Application Table		
Application area	Dosage	Remarks
Spraying, humidification and misting systems: surface application. Treatment of wash water, recycled water system:	160-200ppm of PAA	Allow contact for 45 seconds or more. Rinsing at end of process is not required.

Area of use: Agricultural water and irrigation systems, including greenhouses.

Spectrum of activity: Bactericidal.

Oryx efficacy could be compromised if surfaces are soiled.

Important note: prior to first commercial use, test the compatibility of Oryx with the desired application.

STORAGE - Store in a cool, well-ventilated area away from heat and incompatible materials and their mixtures, such as bases, strong oxidizers and their mixtures. Store in a corrosion resistant container with a resistant inner liner.

DISPOSAL - Disposal of Oryx does not require special waste treatment activities. If any active or other ingredient has been added directly to the container, follow the disposal instructions for that ingredient. Never reuse or refill Oryx containers!
Container Disposal: Nonrefillable container. The container should be rinsed and then offered for recycling or reconditioning or disposed of in a sanitary landfill

CONDITIONS OF SALE AND LIMITATION OF WARRANTY AND LIABILITY

Before the use of Ambient, read the Directions for Use and the Following Conditions of Sale and Limitation of Warranty and Liability. By purchasing this product, the buyer accepts the following Conditions of Sale and Limitation of Warranty and Liability. Auryon Industries (Pty) Ltd. expressly rejects any different or additional terms. If the terms are not acceptable, return the product unopened and the full purchase price will be refunded. The product composition and Directions for Use on this label are believed to be accurate and reliable. The Directions for Use should be carefully followed. Auryon Industries (Pty) Ltd. DOES NOT warrant that this product is reasonably fit only for purposes stated on this label when used according to the Directions for Use and under normal conditions of use. Insufficient results may be observed when PAA concentration <50ppm or the failure to follow label directions or good application practices, all of which are beyond the control of Auryon Industries (Pty) Ltd.

AURYON INDUSTRIES (PTY) LTD. HEREBY DISCLAIM ANY EXPRESS OR IMPLIED WARRANTY, INCLUDING ANY IMPLIED WARRANTY OF MERCHANTABILITY OF THE SAMPLE PRODUCTS OR THEIR FITNESS FOR A PARTICULAR PURPOSE.
